A sketch, survey or other drawing in such scale and detail which shows the lot shape, dimensions and indicates the size, shape and location of improvement is required to be submitted with this application.

In consideration of the granting of permit for construction of the above building/improvement, we agree to comply will all applicable ordinances of Baraga Township and that Baraga Township shall not be liable for any damages resulting therefrom. This permit shall expire one (1) year after the date of issuance if significant actual construction or use has not commenced. I am also aware that a building permit from the State of Michigan may also be necessary to build the above-mentioned structure(s).

**Signed:** \_\_\_\_\_ **Date:** \_\_\_\_\_  
**Applicant**

Please note this is NOT a construction permit. If Zoning Compliance is granted, you will then be required to submit all necessary applications for the construction and copies of other required agency permits.
